

ENVIRONMENTAL POLICY STATEMENT

Calavo Growers, Inc. and all of its subsidiaries are committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and to initiate additional projects and activities that will further reduce our impacts on the environment, including the wise stewardship of natural resources.

Our commitment to the environment extends to customers, suppliers, our staff and the community in which we operate. We are specifically committed to:

- Comply with all applicable environmental regulations;
- Prevent pollution whenever possible;
- Communicate our environmental commitment and efforts to our customers, staff, and our community;
- The conservation of natural resources through careful planning and efficient use of water, energy and raw materials;
- The minimization of waste through source reduction, reuse, recycling and composting;
- The handling and disposing of waste through safe and environmentally sustainable methods;
- All chemicals and hazardous materials, including wastewater and solid water generated from operations, shall be handled and disposed of using environmentally responsible practices. In the event that hazardous or polluting materials are discharged improperly, appropriate authorities shall be notified, and immediate action shall be taken to correct and remediate.
- The prevention of pollution, including greenhouse gases, and the unintended release of substances that could cause harm to air, water or land.
